

CERTIFICATE OF VERIFICATION

Intertek does hereby certify that an independent assessment has been conducted on behalf of:

**COSTER TECNOLOGIE SPECIALI
S.p.A.**

and has been assessed and verified by Intertek to:

ZERO WASTE TO LANDFILL

Main Address:

Viale Trento, 2,
Calceranica al Lago, Trento, 38050, Italy (Italia)

See appendix for additional sites and additional site scopes

Conformance Criteria:

Overall Scope: Zero Waste to Landfill diversion rate of at least 99%* applicable to production of aerosol valves, spray pumps, dispensers, components and accessories. Production of components and accessories through hot injection molding processes of plastic materials.

Certification Number:
ZWL-2024-24

Initial Verification Date:
07 November 2024

Date of Certification Decision:
07 November 2024

Certificate Issued:
07 November 2024

Certificate Valid Until:
06 November 2027

Calin Moldoveanu
President

Intertek Testing Services NA, Inc.
4700 Broadmoor, Suite 200,
Kentwood, MI, United States

APPENDIX TO CERTIFICATE OF VERIFICATION

This appendix identifies the locations covered by the ZWL program of

COSTER TECNOLOGIE SPECIALI S.p.A.

This appendix is linked to the Main Certificate # ZWL-2024-24 and cannot be shown nor reproduced without it.

COSTER TECNOLOGIE SPECIALI S.p.A. [COSTER 1]

Viale Trento, 2,
Calceranica al Lago, Trento, 38050, Italy (Italia)

Zero Waste to Landfill diversion rate of at least 99%* applicable to production of aerosol valves, spray pumps, dispensers, components and accessories. Production of components and accessories through hot injection molding processes of plastic materials.

* Includes Maximum 3% Waste To Energy

COSTER MAGAZZINO CENTRALE

Via dei Campi, 11,
Novaledo, Trento, 38050, Italy (Italia)

Zero Waste to Landfill diversion rate of at least 99%* applicable to storage and logistics warehouse for aerosol valves, spray pumps, dispensers, components and accessories.

* Includes Maximum 3% Waste To Energy

APPENDIX TO CERTIFICATE OF VERIFICATION

This appendix identifies the locations covered by the ZWL program of

COSTER TECNOLOGIE SPECIALI S.p.A.

This appendix is linked to the Main Certificate # ZWL-2024-24 and cannot be shown nor reproduced without it.

COSTER ROBOTICS

Via E. Prati, 25/m,
Caldonazzo, Trento, 38050, Italy (Italia)

Zero Waste to Landfill diversion rate of at least 99%* applicable to storage and logistics warehouse for aerosol valves, spray pumps, dispensers, components and accessories.

* Includes Maximum 3% Waste To Energy

COSTER TECNOLOGIE SPECIALI S.p.A. [COSTER 2]

Via Cav. Vittorio Donati 6,
Calceranica al Lago, Trento, 38050, Italy (Italia)

Zero Waste to Landfill diversion rate of at least 99%* applicable to production of aerosol valves, spray pumps, dispensers, components and accessories through processes of hot injection of plastic materials and automatic assembly.

* Includes Maximum 3% Waste To Energy

APPENDIX TO CERTIFICATE OF VERIFICATION

This appendix identifies the locations covered by the management system of:

COSTER TECNOLOGIE SPECIALI S.p.A.

This appendix is linked to the Main Certificate # ZWL-2024-24 and cannot be shown nor reproduced without it.

COSTER TECNOLOGIE SPECIALI S.p.A. [COSTER 3]

Via Eugenio Prati, 25/f,
Caldonazzo, Trento, 38052, Italy (Italia)

Zero Waste to Landfill diversion rate of at least 99%* applicable to production of aerosol valves, components and accessories through hot injection molding processes of plastic materials and automatic assembly.

* Includes Maximum 3% Waste To Energy

COSTER TECNOLOGIE SPECIALI S.p.A. [COSTER 4]

Via E. Prati, 25/g,
Caldonazzo, Trento, 38052, Italy (Italia)

Zero Waste to Landfill diversion rate of at least 99%* applicable to production of aerosol valves, "Bag on Valves" (BOV), dispensers, components and accessories through automatic assembly processes.

* Includes Maximum 3% Waste To Energy

APPENDIX TO CERTIFICATE OF VERIFICATION

This appendix identifies the locations covered by the management system of:

COSTER TECNOLOGIE SPECIALI S.p.A.

This appendix is linked to the Main Certificate # ZWL-2024-24 and cannot be shown nor reproduced without it.

COSTERPLAST S.r.l.

Viale Trento, 2B,
Caldonazzo, Trento, 38052, Italy (Italia)

Zero Waste to Landfill diversion rate of at least 99%* applicable to production of special plastic closures for aerosol cans through the injection moulding, assembly, packaging and storage phases.

* Includes Maximum 3% Waste To Energy

TECNOCOSTER S.r.l.

viale Venezia, 33/A,
Castelnuovo, Trento, 38050, Italy (Italia)

Zero Waste to Landfill diversion rate of at least 99%* applicable to production of special plastic closures for aerosol cans through the injection moulding, assembly, packaging and storage phases.

* Includes Maximum 3% Waste To Energy
